## **DLA Honors Industry Partners for Valued Performance**

**FORT BELVOIR, VA.** – ECVC was honored recently by the Defense Logistics Agency (DLA) Land and Maritime Division as one of the government’s best suppliers. Of thousands of industry partners, ECVC was one of just 42 companies recognized by DLA with Gold Medal Awards this year.

The awards ceremony was held during the DLA Enterprise Supplier Conference and Exhibition at the Greater Columbus Convention Center in Columbus, Ohio. The three day conference was attended by 1,620 people.

Milton Clemmons and William Dixon of ECVC accepted this year’s award from DLA Director Vice Admiral Alan Thompson. ECVC received its first Gold Medal Award in 1993 and has received recognition from the Defense Logistics Agency every year since.

The recognition was earned by maintaining a DLA quality and on time shipping rating of 100% for calendar year 2009. During the year ECVC shipped 39,135 orders under contract with the Defense Logistics Agency Land and Maritime Division with an average of 575 mission critical parts per order.

During the award ceremony ECVC was lauded by DLA for “aggressiveness and flexibility in supplying batteries and terminal lugs for twenty-five different weapons systems including the Poseidon and Trident Strategic Weapons Systems, Nuclear Reactor Program, and the Minuteman Missile Weapon System.”
