

**Press Release May 2007:** ECVC (Eastern Carolina Vocational Center), located in Greenville, NC, was recently awarded a federal contract for operation of the Base Supply Center (BSC) or ServMart at Marine Corps Air Station, Cherry Point. The ServMart provides over three thousand items which range from vehicle parts to office supplies for the Marine Corps and civilian contractors at the Cherry Point military installation in Havelock, NC.

The ServMart occupies 2 buildings with a total of 45,000 square feet of display space. Twelve ECVC employees run the operation.

The contract, that was awarded, is part of the Federal AbilityOne Program which was authorized by the U.S. Congress under the 1971 Javitts Wagner O'Day Act. AbilityOne promotes the employment of people with disabilities on federal contracts.
